About Me

Hi! I'm Reuben Mwikya, a web developer who loves building responsive, user-friendly websites that look great and work even better. Whether it's designing smooth interfaces or writing clean code, I'm all about creating solid digital experiences that people enjoy using.

Education

BSc. Finance with IT

Maseno University — Graduated: 2024

- Built a strong foundation in finance, technology, and systems thinking.
- Exposure to tech during this time sparked an enduring interest in coding and digital solutions.

Power Learn Project Africa — *Currently Enrolled*

- Studying software development with hands-on experience in modern tech tools.
 - Deepening skills in front-end development, design principles, and problem-solving.
-
